**TEXAS A&M IDENTITY SERVICES USER AGREEMENT TO ACCEPT RESPONSIBILITY**

- Use of University computing resources is restricted to authorized Texas A&M University business.
- Your application configuration must use encrypted connections for any connecting clients or services.
- **You agree to NOT collect and store NetID passwords.**
- You will be held responsible for any security breach traceable to you or your specific authorization. You will be held liable for any willful misuse or deliberate system damage traceable to you or your specific authorization.
- **You agree to all of the following conditions related to logs and Division of IT Identity Services personnel:**
  1. **To deliver, on request, security logs from the application servers.**
  2. **To provide, on request, access to application logs of any service connecting to the application servers.**
  3. **To participate in any event correlation/event monitoring solution in use by Division of IT Identity Services personnel.**
- Violation of this agreement may result in disciplinary action or legal action or both.
- **If approved, access will need to be renewed annually.**

The agreement is bound by the Texas A&M Identity Services Acceptable Use Policy, the University FERPA Policy and University Acceptable Use Guidelines.

**I HAVE READ, UNDERSTOOD AND AGREED TO THE ABOVE TERMS**
